**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not want to be throttled by someone's random decision as to who should supply me with my telecom needs. I enjoy being able to choose from the local marketplace and make and INDEPENDENT and personal decision based on whatever factors I deem important to me.

I have been backed into the corner by several major telecom suppliers and victims of their pricing schemes. I want the choice to be MINE and if a law was to be passed that eliminates this ability, everyone will be subjected to potential monopolization. Not good.
